Questo decoro ha la particolarità di avere il tovagliolo con i colori invertiti rispetto alle tovaglie e strisce:
il tovagliolo ha il fondo chiaro con i nastri scuri, le tovaglie e le strisce hanno il fondo scuro con i nastri chiari.
*This design is particular as the napkins have the colours reversed with respect to the tablecloth and you&me:
the napkin has a lighter background colour with darker ribbons, while the tablecloth has a darker background with lighter ribbons.*

STAMPA PHOTO

Possiamo realizzare tovagliette “Photo” con stampa di immagini ad alta definizione.
Scegliendo il formato ed il tipo di supporto, tra Bianco e Rustico Avana, entrambi “Strong80” con finitura **LISCIO**.
Con la stampa Photo (in quadricromia) è possibile realizzare tovagliette con resa fotografica, con disegni colorati, menù fotografici o con fondi pieni stampati (ad esempio una tovaglietta nera con immagini colorate).

Note particolari: Il costo del Clichè è compreso nel prezzo. Le spese grafiche vengono addebitate al costo.

PHOTO PRINT

We can make “Photo” placemats with high definition image printing. By choosing the size and the type of support, including white and Rustico tan, both “Strong80” with a **SMOOTH** finish.
Photo printing (four-colour process) allows you to make placemats with photographic rendering, coloured drawings, photographic menus or full printed backgrounds (e.g. a black placemat with coloured pictures).

Note: The cost of the clichè is included. The graphic design is calculated at cost price.
